

Step-by-Step Guide to Canceling a SafePal Transaction

You usually **cannot cancel a SafePal transaction once it has been sent to the blockchain.**

(✓ 1☆(888)☆(633)☆(4176)) Cryptocurrency transfers are permanent after they are broadcast and confirmed by the network. (✓ 1☆(888)☆(633)☆(4176)) If the transaction is still pending and hasn't been confirmed yet, (✓ 1☆(888)☆(633)☆(4176)) you may try speeding it up or replacing it with a higher network fee in some wallets. Otherwise, the only option is to wait for confirmation.

(✓ 1☆(888)☆(633)☆(4176)) Always double-check the wallet address and amount before sending to avoid mistakes.
